**STATEMENT ON CONFIRMATION OF SUPERINTENDENT OF
THE DEPARTMENT OF FINANCIAL SERVICES MARIA T. VULLO**

“Superintendent Vullo is one of the most qualified nominees to come before the Senate and we applaud Governor Cuomo for nominating her,” said Mary A. Griffin, President and CEO of the Life Insurance Council of New York, Inc. (LICONY). “We were especially encouraged by her statement that she is both “pro-business and pro-consumer” and that she will work to encourage the growth of the financial services industry in NY. We look forward to working with her to create a more favorable business climate in New York State, particularly for those companies that have their home offices here.”

LICONY is the trade association representing the life insurance companies doing business in New York.
